

CITY GROUPS FORM TO AID NEEDY

Representatives of Albany's leading civic and fraternal organizations met at the City Hall Monday night, March 24, to form a combined council to coordinate welfare activities of their groups. The purpose of the new organization is to direct charitable efforts to those cases requiring which other established organizations cannot function suitably. Organizations represented at the meeting were the American Legion, Junior Chamber of Commerce, Albany Exchange Club, Cornell P.T.A., Albany Pre-School Mothers Club and Marin P. T. A.

Officers were elected and a steering committee on committees was named. G. P. Hanson was elected chairman of the new group with Mrs. Hanson named as secretary. Attorney George Glavinovich will be chairman of the legal committee with L. H. Tschanner and Jack Hamilton assisting. On the steering committee are Sgt. Arthur Smith, Mrs. Wallace Mardilla, Ed Foley, R. A. Williams and Mrs. Norma Carr.

Group leaders have expressed the opinion that this organization will be very effective in those cases where a personal approach to the problem may produce a more satisfactory solution and where a supplement to the activities of existing charitable societies is needed.

The welfare council will meet on the third Monday of each month, following the meeting of the City Council. A vote will be taken at the next meeting to decide the permanent name of the organization.

Position Open for Assistant Engineer

City Engineer E. A. Tarr has been interviewing applicants for the position of assistant engineer and draftsman to fill an opening resulting from the resignation of Al Burke. When Burke resigned Tarr transferred Assistant Superintendent of Streets Jack O'Leary from his department to the Building Department. This move was necessary due to the added amount of building now being done in Albany. Future plans for public and street work make it necessary to employ additional personnel.

Those interested in the position now open should contact Tarr at the City Hall before Monday, March 31.

Exchangites Hold Easter Party at Lafayette Cafe

The Albany Exchange Club last Tuesday night held their annual Easter party at El Molino's in Lafayette when the wives and guests of Exchangites were honored. President George Fiderio presided and Eddie Haran was program chairman.

Over 100 Exchangites and guests were present to witness the surprise presentation of a good luck charm to Freddie Agabashian, prominent East Bay racing driver, by President Fiderio. Freddie, who is a resident of Albany and a member of the local Exchange Club, will drive in the Indianapolis Memorial Day Speedway Races and has promised to carry the Safety Campaign of the local club onto the Speedway in the Midwestern city. He will have posted on his racing car "Safety or Sorrow—Drive Carefully."

Master of Ceremonies Al Magazin presented an outstanding floor show. Among the acts were Angelo Rodriguez, local singing sensation, and Lennie Russell of Hollywood.

Last Sunday Exchange Club members installed "Safety or Sorrow" signs on the main intersections to Albany and are being commended all over the Nation for their efforts in the "Safety or Sorrow" campaign.

Additional Funds to Albany School Dist.

The Albany Board of Education, at an adjourned meeting held Tuesday evening, March 25, voted to add one faculty member to the Albany High School for 1947-48. The additional teacher will have his time divided between football coaching and teaching other high school subjects.

Superintendent Bryan reported an emergency apportionment to the Albany Unified School District of \$39,238.29 from the State Department of Education. This apportionment was made on the basis of the District's having met the following requirements: (1) Received Lanham Act funds in past years. (2) Was levying the maximum tax of \$1.60 to support the schools and (3) The educational cost per average daily attendance unit in the Albany Schools was less than the State average. The amount given brings up the educational funds of Albany to the place where the State average of costs can be expended for the children enrolled in Albany Schools.

It was also reported by Superintendent Bryan that an application to the National School Lunch Program for equipment had been favorably acted upon and the school cafeterias of Albany are to get a grant of \$1,648 for equipment. Silverware, double boilers, a refrigerator, an electric mixer and a stove are among the items that were approved for purchase from this grant.

Services Held Thurs. For Irmah L. Foster

Mrs. Irmah Leona Foster followed her beloved husband, Franklin Warren Foster, in death by two months when she passed away in Portland, Oregon, on March 21. The Fosters had lived in Albany for many years prior to moving to Oregon.

She is survived by two children, Mrs. Evelyn Tarr of Berkeley and Robert W. Foster of Montana. Four sisters and one brother also survive. A native of Canada, Mrs. Foster was 53 years of age.

Funeral services were held at the Ellis-Olson Mortuary Thursday, March 28, at 2 p. m. Rev. Allan Searles of Danville officiated.

Council Will Not Meddle in U. S. Foreign Affairs

Albany city councilmen turned thumbs down on official action or pressure of any kind in international affairs with a negative reply given at council meeting last Monday evening to representatives of the Progressive Citizens of America who appeared to learn whether or not the city would take any action on the group's recommendation of protest against President Truman's proposed aid to Greece.

Members of the council unanimously agreed to take no action whatever. They also refused the Progressive Citizens use of the Council chambers as a monthly meeting place. Since various administrative commissions must use the chambers at undesignated times and dates and police court has often been held at night, councilmen refused the request with the added remark that "City Council chambers are not auditoriums."

A bid of \$2500 was accepted from the city of Menlo Park for the street sweeper offered for sale by City Engineer E. A. Tarr. "This is a good price for this piece of equipment," Tarr said "It has been unsatisfactory for use in Albany due to the irregular gutters in most of our streets."

MR. E. BUNNY CALLS FOR ADDED HELP AS ALBANY PLANS ANNUAL EGG HUNT

A swarm of Easter bunnies will descend upon Memorial Park early Saturday morning to hide three thousand brightly colored eggs for the eleventh annual city-wide Easter Egg Hunt, sponsored by Albany business and fraternal groups.

Two hunts have been planned to begin at 10 a. m. with approximately \$225 in prizes to be given away for the various events, according to E. S. Howell, Superintendent of Recreation. Albany boys and girls 14 years of age and under are eligible to participate in the hunts and games to follow.

Emmet Divine, supervisor for the Recreation Department, will be in charge of the hunt and has announced that prizes will be given to children finding gold and silver eggs. Tots six years of age and under will search for eggs in the northeast end of the park while the older boys and girls seven to 14 play Sherlock Holmes in the northwest part of the field. A special gate prize will be given away during the hunt.

Following the egg hunt, games and races, including a good old fashioned egg-rolling contest, will take place. Contests will include: 25 yard dash for boys and girls under 5 years of age; 45 yard dash for girls 6 to 7 years; crab race for boys 6 to 7 years; 25 yard dash for girls 8 to 10 years; 25 yard dash for boys 8 to 10; two-foot hop race for girls 11 to 14; 50 yard dash for boys 11 to 14; 25 yard girls one-legged race (open); 100 yard dash for boys 11 to 14; and the egg-rolling contest between boys and girls 11 to 14 years of age to be followed by an egg-on-the-spoon race for mothers and fathers of the children attending the hunt.

Co-sponsors of the hunt along with many local merchants are the Exchange Club, Police and Fire Departments, Soroptimist, Fraternal Order of Eagles, Bayview Aerie No. 2323; Maccabee Tent 124, Maccabee Hive 133, American Legion Auxiliary Unit No. 292, Veterans of Foreign Wars Auxiliary No. 2658, Marin School P.T.A., Albany Post No. 292, American Legion, and the Lions Club.

The young couple have tentatively set the end of July for their wedding.

Those attending the party were Bettie and Ralph Ahlgren, Ava Edwards, Cecile Kelly, Bud Fardig, Dave and Dorrie Clapp, Rudy Fardig, John and Helen Tronoff, Karl Swanson, Charles and Anita Tronoff, Clarence Steindel, Jeannette Peterson, Jim Hurley, Dorothy Pendro, Phil Gary, Ray Nelson, and Bettie and her parents.

P.T.A. Will Sponsor Young Music Lovers

To help occupy the idle hours of boys and girls this summer, an instrumental music workshop will be sponsored by the Berkeley-Albany Council of Parent-Teachers Associations with an enlarged curriculum for classes this year. The courses will be conducted under the general direction of Earl Morton, head of the music department at Berkeley High School.

The workshop will be open to students from the third grade through junior high school. A fee of \$15 is payable June 16 at the beginning of the course. Classes will be held from 9 a. m. until 12 noon five days a week from June 16 through July 25. Location of the workshop will be announced later.

A student may pursue one or more subjects through the six weeks period. There is only one fee and it will include music necessary for the various courses. An enrollment fee of \$1 should be sent to Earl Morton, 3039 Deakin Street, Berkeley, with a request for registration in the summer workshop. Since classes will be limited in number early reservations are advisable.

The staff of instructors includes Morton as director, assisted by the instrumental staff of the Berkeley public schools, Mrs. George Bliss, Thomas R. Caldwell, Blanche Coriveau, J. Ray Salisbury and Victor Schott.

Business and Civic Leaders to Dine at Griff's Steak House

Louis Griffing, owner of Griff's Steak House, 919 San Pablo Avenue, will be host to 40 business and civic leaders of Albany at an informal dinner party given in his restaurant tonight (Friday).

"This meeting is primarily for the purpose of establishing closer relationship between owners of both package and tavern establishments and the furthering of Albany as an

entertainment field for East Bay residents," Griffing said.

High lights of the dinner will include a talk on "bad checks" by Police Chief Stanley Williams. Following Williams' talk, the motion picture "Clear to the Top," released by Calvert Distillers Corporation, will be shown.

John B. Gilligan, representative for Calvert in Oakland, who arranged for the showing of the film, said: "This picture depicts as could no word-of-mouth presentation, the expression of our sincere belief that the promotion of moderation is in the best interest of the community and of the distilling industry."

Others who will attend the dinner include Mayor C. F. Gracber, Fire Chief Fred Pimental, City Attorney George Glavinovich and Ted Williams, president of the Albany Chamber of Commerce.

Marin Dads Lose Softball Opener At Memorial Park

The Albany Recreation Department Spring Softball League opened last Sunday morning with a good crowd on hand rooting for their favorite teams. When the smoke had cleared away, the El Cerrito Y.M.I. No. 96 had lowered the boom on the Marin Dads Club, winning 11 to 9 at Albany's Memorial Park.

The Marin Dads, last year's champions, had the upper hand 5 to 2 going into the last half of the fifth inning but at that stage of the game Manager McClain's Y.M.I. boys scored six runs on seven solid base hits. The trouble started when Sears singled, Doyle tripled, followed by

singles off the bat of Marcos and Ghiorso. Buescher doubled to center field driving in three runs and Adams doubled and scored on Kendall's single. The Y.M.I. added three more runs in the sixth to end their scoring.

Marin Dads came back in the seventh with four runs, however. Pitcher Stan Smith bore down and retired the side with dads still on base and threatening.

One of the feature plays of the game was made by Buescher, short fielder, who threw out Marin Dads Third baseman Mroczko, on a hit to short center field.

In the opening game at Memorial Park, the Albany Eagles downed the local Police and Firemen by a score of 14 to 1 behind the superb pitching of Frank Gray who gave up but one hit and was relieved in the fifth by Ed Howell, who had little trouble with the Police and Firemen. The Eagles scored nine runs in the second inning off the deliveries of Fireman Collins putting the game on ice, and with the exception of a threat by the Police and Firemen in the sixth inning when they scored one run on two base hits and the ball twice took a bad bounce in the Eagles infield, the Eagles were never in trouble.

Bill Hays, short center fielder, and Lou Nora both collected home runs for the Eagles and their teammate Carl Nieper had a perfect day at the plate with two walks and two hits.

Down at James Kenney Park in the opening game, the Albany Junior Chamber of Commerce defeated the Berkeley Y.M.I. in a nip and tuck battle 5 to 4 in an extra inning game. Lloyd Samaha, Junior Chamber manager, was the hero of the game coming to bat in the last half of the eighth with the score tied 4 all, and hitting a sizzling line drive into center field, scoring teammate Charlie Tscherner with the winning run.

Franco pitched for the Berkeley Y.M.I. limiting the Junior boys to six hits. Buechel was on the mound for the J.C.'s holding the powerful Y.M.I. to six hits, while his teammates collected four runs in the second and the winning run in the eighth. Navarro and Gimble hit home runs for the Berkeley outfit.

The Albany Maccabees downed the Cerrito Civic Club in the second contest by a score of 8 to 2. Merle Gould, left-handed chucker for the Maccabees, limited the El Cerrito team to two hits while his teammates collected seven hits from the offerings of Suppe, Cerrito Club chucker.

Next Sunday, March 30, at Memorial Park, the Junior Chamber of Commerce versus the Maccabees at 10:15 a. m. and the Police and Fire versus the El Cerrito Y.M.I. at 11:40 a. m. Down at James Kenney Park the Albany Eagles versus the Cerrito Civic Club at 10:15 a. m. and the Marin Dads versus the Berkeley Y.M.I. at 11:40 a. m.

aviary where they were cared for by the firemen.

The aviary came in for some national publicity a few years back when Sunset magazine published a feature story, with pictures, on the bird cage.

Residents of the aviary now total 50 and Browne says that the Fire Department welcomes newcomers.

Here is an item gleaned from "Kacy" Ward's "So We Hear" column in the Berkeley Daily Gazette: "There are reports that some Albany citizens are wondering why not one but two civic clubs in that city are holding their chow feasts outside of Albany. . . While Albany restaurant and dining rooms wall with other merchants that business is poor."

As champs of last year's softball league, the Marin Dads are the target of some hot ball teams this year so let's take a look this week at some of the big guns on the Dads squad and hope no ball-bats fly this way from players omitted in this hit-or-miss roundup.

Manager George Fredrickson finds steering the Dads a full time job so he will step out of the diamond this year to make room for some younger talent. He has picked Bill Dutton as his field captain and Roy Lockhart as assistant manager. Football fans will remember Dutton for his nation-wide fame gained on the Santa Clara University varsity a few years back. He plays short stop for the Dads. Lockhart, a former professional golf teacher and all-around sportsman, will be on first.

Two newcomers, Albert Wolff, ex-baseball coach at Cornell University, and Jack Douglas, just out of serv-

ice, are showing fine form this season. "Wild George" Mroczko is out to give the crowd their usual quota of laughs as he continues to do the impossible on third base. Short Center Ernie Lehman stands six foot six

(did I say "short" center?) and covers ground with strides that take him at least eight feet each step. Bill Green, an old-timer on Albany and other East Bay ball clubs will be with the Dads again this year. Jim Vandergriff will be behind the

catcher's mask again this season. All in all the Dads look repeat last year's win and that thought is as good as which to meander off this week.

New Members Meet With Pre-School Mothers' Group

The Albany Pre-School Mothers' met recently with Mrs. Jerry Gilcrest, presiding.

The hospitality chairman, Mrs. A. W. Moody introduced the new mothers. They were Mesdames Elmer Nelson, Arthur Spearin and R. C. Young. The speaker of the evening, Mrs. Violet Richardson-Ward, was introduced by Mrs. Ray Paine, vice president. Mrs. Ward spoke on "truth in regard to our children and ourselves." She stressed the importance of teaching children not only to speak the truth but to recognize and face it at all times. The secretary read a letter from a group forming in Albany to aid its needy. The Mothers' Club was asked to send delegates. It was decided to send Mrs. Joel Popper and Mrs. Morris Guralnick to the next meeting. Plans for the tots' Easter party were discussed. Ideas for the open house to be held in May were submitted by the members and accepted for consideration. There was a debate on the subject of whether the Mothers' Club should join the Council of Cooperative Pre-School Play Centers. Mrs. Geo. Bush resigned as publicity chairman and Mrs. Morris Guralnick was appointed to fill the vacancy.

The refreshment committee chairman was Mrs. Franklin Henry assisted by Mesdames Ray Paine, Edgar Whitehead, Wm. McGimpsey, Chas. Shaw, and Julian Bradsher.

A Cure for Criticism

HOW much good does the average person see about him? What is our capacity for recognizing good? Do not most of us rather readily observe the evil and overlook the good?

Christ Jesus discriminated between the mortal and immortal, the sin and the sinner. He rebuked the sin, but forgave the sinner, thereby healing and saving the sick and sinful. In the eighth chapter of his gospel, John relates the incident of the sinful woman whom the scribes and the Pharisees brought to Jesus to be judged. He says: "Jesus stooped down, and with his finger wrote on the ground, as though he heard them not. So when they continued asking him, he lifted up himself, and said unto them, He that is without sin among you, let him first cast a stone at her. And again he stooped down, and wrote on the ground." When one by one they slunk away, "convicted by their own conscience," as John says, Jesus compassionately spoke to the woman, "Hath no man condemned thee? . . . Neither do I condemn thee: go, and sin no more."

'How true it is that each of us has a great need to correct his own thinking and actions; and to the extent that his self-examination is honest, he finds no time or inclination to indulge in criticism of others. Right reasoning from the basis of spiritual truth will

clear out of consciousness the ugly habit of harshly criticizing others. Honest analysis of one's own thinking may reveal the fact that what one dislikes and condemns in his neighbor is the very fault of which he himself is guilty.

The writer had a rather amusing experience illustrative of this point. Upon retiring quite late one night, he heard a radio going almost loud enough for him to distinguish the words of the program, and loud enough for him to note the change from speaking to music. It continued until he finally fell asleep wondering why his neighbor was so inconsiderate of others. Awakening very early the next morning, he was surprised to hear the radio going again. What was his chagrin to find that it was his own radio in his own room!

Paul understood this tendency of mortals to judge others. He wrote (Romans 2: 1), "Thou art inexcusable, O man, whosoever thou art that judgest: for wherein thou judgest another, thou condemnest thyself; for thou that judgest doest the same things." In an article in "Miscellaneous Writings" entitled "Obedience," Mary Baker Eddy says (p. 118): "Be of good cheer; the warfare with one's self is grand; it gives one plenty of employment, and the divine Principle worketh with you,—and obedience crowns persistent effort with everlasting victory."—The Christian Science Monitor.

C. of C. Urges Trade With Albany Stores For Better Service

Satisfaction on the part of the buying public is what the merchant likes to be assured of. Albany merchants are careful to see that each and every customer is satisfied with his purchase prior to the customer's leaving the store. The universal aim on the part of all Albany merchants is to see that the customer is not only pleased but that the customer's friends learn about the courteous treatment received when shopping is done at home.

As part of the community program to instill interest in Albany establishments, the Chamber of Commerce is conducting an advertisement program in collaboration with the Board of Supervisors of Alameda County. Results seem to be favorable as Albany merchants state that business has picked up and that they are endeavoring to give bigger and better values to the Albany folks who have learned that it saves to buy at home.

A better understanding between merchants and purchaser is sought and there are still numerous Albany folks who do not realize that

they can save real dollars by patronizing their neighborhood merchant. With the great post-war readjustment program under way a dollar saved for the future is your best investment. The Chamber of

Commerce advertising committee and the county supervisors are doing everything possible to aid both the Albany merchant and at the same time help the consumer profit by buying in Albany.

Forbes-Josephson Vows Exchanged In Oakland Sat.

Saturday afternoon at 4 o'clock Mission Covenant Church in Oakland was the scene of the beautiful wedding of Miss Romilda (Bee) Forbes of Albany and Paul Josephson of Bridgeport, Conn. Rev. Arthur Jensen, assisted by Dr. Algot Olson of Chicago, performed the double-ring ceremony. Large standards of calla lilies decorated the chancel. Preceding the bridal party the several candelabra were lighted by Misses Harriett Fredrickson and Carol Swanson, who were gownned alike in pale green marquisette.

The bride was given in marriage by her father, Louis Forbes. Her gown was of white satin with sweetheart neckline, fitted bodice and full gathered skirt with long train. Her tulle veil was fingertip length held in place by a lace coronet. She carried a shower bouquet of white roses and bouvardia. She wore pearls and carried a lace handkerchief which had also been worn by her grandmother.

Acting as maid-of-honor for her sister, Dr. Lorna Forbes was gownned in blue brocade with the new bustle-back effect and carried a muff of pink bouvardia and roses. Bridesmaids were Misses Dagmar Magnuson, Elsie Grenz and Mary Tischler, cousin to the bride, gownned in pink brocade and carrying French bouquets.

The groom's brother-in-law, Bertil Hallstrom of Stratford, Connecticut, was best man. Ushers were Messrs Norman Fredrickson, Philip Johnson and Russell Jennings.

The bride's mother wore a dove gray dress with Venice lace insets and a corsage of white butterfly orchids. A deep pink flowered hat completed her ensemble. The groom's mother, Mrs. Anna Josephson of Bridgeport, motored to California for the occasion. She

was attired in a navy dress and brimmed straw hat. She wore an orchid corsage.

For her going-away outfit, Bee had a cinnamon colored suit with alligator accessories, a flowered hat and a corsage of green orchids. The couple will honeymoon here in California and then make their home in Bridgeport, Connecticut.

The bride is a graduate of the Providence School of Nursing and served a year as lieutenant in the Army Nurse Corps. Josephson spent three years with the Army Transportation Corps holding the rank of lieutenant.

Dr. Forbes is to be married in June to Dr. Robert H. Chaney, who is at present at Harvard.

300 Million DOLLARS in NEW POWER PLANTS and Service Installation

California's industrial development before and during the war has become permanent growth—the war trend is upward! We are growing in a big way!...in industry, payrolls, population and markets.

Immediately after wartime being restrictions were lifted, P. G. & E. began to provide increased service for Northern and Central California to meet new and increasing demands for gas and electricity to build well ahead of anticipated growth. In 1946 approximately \$45,000,000 was spent toward the end. AND NOW a comprehensive 5-year expansion program has been developed calling for the expenditure of an additional \$300,000,000 by the end of 1951.

New power plants will be constructed and others enlarged, about 1,000,000 horsepower. P. G. & E.'s power capacity included in the program is a systemwide expansion of transmission and distribution facilities.

P. G. & E. will be fully ready to help Northern and Central California grow during the busy years ahead with a power capacity of more than 3,500,000 horsepower.

County Anticipates Over Ten Million In Property Taxes

Collection of more than ten million dollars in property taxes for the County of Alameda and the City of Oakland before April 21, the second installment delinquency date, is anticipated by County Tax Collector Edwin Meese, Jr.

"More and more the taxpayers are using the mail to send in their tax-payment checks or money orders," Meese states, "and an augmented staff in our mail department is prepared to promptly process the receipts."

GO TO CHURCH SUNDAY

Romberg Operetta to Close S. F. Run Sat.

Rumors that the engagement of "The Student Prince" at the Curran Theater is to be extended beyond Saturday, March 29th, having been set at rest by the announcement that Billie Burke is to open at the Curran in a new play titled "Accidentally Yours" on March 30th, Sigmund Romberg operetta fans who have been unable to pay their annual visit to "The Student Prince" up until now are all trying to get in for the final week's performances.

Much favorable comment has been heard among the many "Student Prince" admirers upon the handsome costuming and colorful scenic production which backgrounds the well balanced cast which has been assembled for this, the 21st birthday tour of the perennial song play.

Among the cast are numbered such old "Student Prince" stalwarts as Frank Hornaday, Detmar Poppen, Nina Varela, Nathaniel Sack and Walter Cartwright. Included among the newcomers to the make-believe Heidelberg are John Mooney as Dr. Engel, Adelaide Bishop as Kathie and Mary Lou Boyd as Princess Marguerite each of whom has been most happily received here. The post-war Student chorus of fresh young voices is an outstanding feature of the performance.

Patricia Chapman Picks April 13 As Wedding Day

Miss Patricia Anne Chapman, daughter of Mr. and Mrs. Dewey O. Chapman, of Albany, has set April 13, as the date of her marriage to Charles Ronald Marini, son of Mr. and Mrs. Joseph Marini, of Crockett. Several hundred invitations have been mailed for the two o'clock ceremony, which is to be at Northbrae Community Church in Berkeley. Dr. Sanford Fleming of Berkeley Baptist Divinity School will officiate.

Four attendants will precede the bride to the altar. Her matron of Honor, Mrs. H. K. Thomas, is a high school and college friend, and her two bridesmaids are her sisters, Mrs. Kay Doyle, and Mrs. Howard Wiedemann. The little flower girl, Andrea Marini is a niece of the bride-elect.

Tani Narfi, a friend of many years, will be best man and the ushers will be A. J. Marini, a brother, and Herbert Boucke, a brother-in-law.

Hillside Club on Cedar Street in Berkeley, has been chosen for the reception, which will follow immediately after the ceremony.

Apropos of parties for Patricia, Mrs. Thomas, assisted by her mother Mrs. Jim Trapanese, entertained at the latter's home on Saturday evening. The affair was a shower, and was attended by

school day friends of the bride-elect and the hostess.

The table had as a centerpiece a ten inch high crepe paper blonde bride complete with trailing veil, bouquet, and gown, all of which was created by Mrs. Thomas. A yellow and white color scheme was carried out in the table decorations.

Next Saturday evening an aunt, Mrs. Fred Cadle, will entertain at a bridal shower to which only relatives will be bidden.

THINKING OF BUILDING?

By all means get your lot while there is still a wide selection. "HAVENSIDE" is a brand new subdivision with dozens of extra wide view lots available. The best ones will naturally sell first, so don't delay -- come out and look at these beautiful homesites today.

60 Foot LOTS \$1500 to \$2000

HERE'S A SUGGESTION

If you're going to wait a while until building prices get back to a sensible level, why not buy the lot you want, with a complete bay view, on a term basis?

A low down payment and small monthly payments will secure a homesite, and then you won't have to accept a steep hillside when you get ready to build. If you buy NOW, you can get a LEVEL lot and pay for it without hurting your bank balance.
